

King Solomon

"Oh, my Lord!" Solomon said, "I do not know how to be king. Please give me, your servant, wisdom so that I can rule over your people. And help me to know good from evil." God was so pleased that Solomon had asked for these gifts, instead of a long life or riches, that he rewarded him with great wisdom. And besides this, God also gave him what he had not asked for: riches and a long life!
